JUMPSTART'S SCRIBBLES TO NOVELS

Jumpstart's *Scribbles to Novels* is a unique fundraising event that celebrates the power of the written word. Across the country, we unite prominent authors, celebrities and leaders in early childhood education to underscore the importance of literature in children's lives, and reinforce our vision—to work toward the day every child in America enters kindergarten prepared to succeed.

Last year, over 350 supporters joined together in Boston to show their support for high-quality early education. Attendees had the opportunity to meet well-known authors in addition to enjoying a round-table discussion highlighting the importance of literature and education in the lives of a number of distinguished authors. The event raised over \$450,000 for Jumpstart's programs in Massachusetts.
